VENDOR PARTNERSHIP PROGRAM AND MEDIA KIT

## ABOUT THE DFA

The current Domino's Franchisee Association (DFA) began in 2006 and serves the Domino's Pizza Franchisee community in the continental United States. With headquarters in San Antonio, TX, the DFA is the largest independent organization dedicated to representing and protecting the business interest of Domino's Franchisees. We are committed to providing vital support and assistance to our Franchisee Community.

Our website is a key source of information for our Members. We have created a safe environment for Franchisees to become better educated on issues impacting the long-term success of their business, to provide a resource where feedback can be effectively and efficiently gathered to direct our efforts, and to serve as a general communication link within the Franchise body.

## THE DFA MISSION

"To maximize the value of our Members' business through education, communication and collaboration"

## THE DFA VENDOR PARTNERSHIP PROGRAM

The DFA Vendor Partnership Program is designed to bring Value and Benefit to both our Franchisee Members and participating Vendor Partners.

The DFA vets each Vendor to ensure there is a good fit for our Franchisee Membership. References and a completed application are required. Once all documents have been completed and received, the DFA will review all materials. A Vendor Partnership Agreement is not considered valid until signatures are obtained from the DFA Representative and the Vendor Representative. Once the Annual Fee has been paid, the Partnership will begin.

## VENDOR PARTNER REQUIREMENTS

The following requirements must be met before an agreement can be finalized. The Vendor must:

- Demonstrate a value to the DFA Membership (through cost savings, benefits, or services)
- Be a leader in its industry (through pricing, quality, service, benefits, or technology)
- Meet any applicable Domino's Pizza, LLC standards
- Complete and submit the online application and provide references, fill out, sign, date, and return the Partnership Agreement form when approved, then pay the applicable Vendor Partner Fee (see pages 4-5).

## REVENUE SHARE

Revenue Sharing is an option providing mutual benefits to help the Vendor and DFA succeed together. Revenue Sharing will be discussed on an individual basis. The program ensures both parties receive adequate value, and should never be done at the expense of price, service or quality to our Franchisee Members. This program is discussed with the interested Vendor after a full year of regular Vendor Partnership is completed.

## PRINT AD AND ARTICLE SPECIFICATIONS

Articles for The VOICE Magazine are a great way of discussing points of importance that routinely can't be placed in an advertising format. Articles should be informative only – they are not a way of advertising your company. Articles should detail current topics and issues that deal with your industry so that our Members can be made aware of what is occurring or what they need to know for the future. For articles, the following specifications apply:

- Submit in WORD File Format
- 12 Point Font
- 800 words per page without photo, 600 words per page with photo
- Include a high-resolution (300 DPI or larger) headshot of the article's author and title
- All photos/logos must be in high-resolution (300 DPI) or Larger) and attached to the email as a separate file (please do not embed photo within the article)
- Include article Title

## WEB BANNER SPECIFICATIONS

Web Banners are placed in rotation with other Advertisers and appear on every page of the DFA website. Acceptable file formats are Flash, GIF, JPG, and PNG. Acceptable banner codes are HTML, JavaScript, and PHP. Flash files must have the ad and click embedded in the design. File size (in pixels) is 275 tall x 615 wide. Ads may be updated during the contract time frame at no additional cost. Include a link to a webpage if you want our Members to be sent to a certain location once they click on it. We do not maintain any open or clicking records. All files should be submitted as high-resolution PDF files to [scott@dominosdfa.com](mailto:scott@dominosdfa.com).

## NEWS YOU CAN USE E-MAIL PROGRAM

The News You Can Use E-mail Program is a weekly publication by the DFA that is e-mailed to all DFA Members. It is a compilation of weekly news articles, best business practices, upcoming events, and special announcements that include links to various websites. You can include your advertisement in this publication on a quarterly (12 issue) basis. Publication is every Monday of the workweek. We will use your Web Banner in our News You Can Use E-mail, if that is part of your Vendor Partner Program. Include a link to a webpage if you want our Members to be sent to a certain location once they click on it. We do not maintain any open or clicking records.

***The DFA has final approval of all article and banner submissions and may ask for content edits if necessary.***
